NX-Micro

Compact Notebook Mouse

Genius
Live with Ideas

Check out the most attractive notebook mouse from Genius – *NX-Micro*. It includes a LED tail lighting system that shines in the dark.

Featuring an advanced 1200 dpi BlueEye sensor, it can be used on just about any surface, and has an incredibly smooth tracking performance for cursor movement to let you browse documents or Internet pages more efficiently. Plus it's super mini size and easy to take along with the retractable cable design and it has more features than a notebook touch pad.

For a high mobility notebook mouse, there is nothing better than NX-Micro. Contact your sales representive now for more information.
